We would like to introduce ourselves if you haven't already heard about us. We are a full service florist known for our unique floral designs, outstanding quality of product and expert, efficient service. We uniquely design for you or your clients professional floral displays created by our award winning designer with beautiful permanent botanicals, exotic tropical flowers and fresh Holland flowers. Please consider us for all your floral needs. Come into our shop and present this letter for a **10% discount** on any local order. Let our creative minds go to work for you.

We look forward to doing business with you.

Sincerely,

Patricia Lynch-Amedee
